

# President's Monthly News

To be shared with WBCCI Members

Tom Collier, International President

## Blue Beret on the Web

You requested it! The October issue of the *Blue Beret* is now being published on the WBCCI web site for your viewing. For now it can be viewed by going to [www.wbccci.org](http://www.wbccci.org) and clicking on "General Info," then click on *Blue Beret*. As interest increases among our members, a dedicated button will be created to go directly to the *Blue Beret*. If our members' viewing of the *Blue Beret* on the web continues to grow, this will become a monthly feature on the WBCCI web site.

As more of our members receive the *Blue Beret* electronically, and not by mail, the cost of publication and mailing could go down, helping reduce the cost for the club. Advertisements in the *Blue Beret* will also reach a broader audience, which will help in securing more advertising dollars for the WBCCI. Check it out!

## Seminars at Gillette

One of the highlights of any rally are the varied seminars available to members. Over the years we have had everything from personal hobbies, health, financial, RV maintenance, cooking, computers, and many others. If you have a seminar that you would like to present in Gillette, or have a topic you think others would enjoy, please let us know and we will try to schedule a place and time.

## WBCCI Forum

*The following from Charlie Burke*

"The WBCCI Forum has not reached completion. There is a long term schedule of features to be added. Enhancements of existing features like the picture gallery and a wide range of information sources will make the forum an even greater attraction to the Airstream aficionado.

The WBCCI forum now has over 500 register users, and growing everyday, making it the second largest Airstream related forum on the internet. We have attracted members from across the US, Canada, and overseas. We have attracted members from other forums who have made it clear they are glad to be part of a forum for Airstream oriented folks without the politics and derision of other forums."

## Gillette Rally

The 53rd International Convention/Rally in Gillette is on schedule with most items finalized; however there are still items to be completed. Activities, tours, entertainment and attractions will be forthcoming in future *Blue Beret* issues and newsletters. Thanks to all who have registered early.
